

Remarks

By this amendment the specification has been changed to reflect prior related applications and to add an abstract on a separate page. No new matter has been added by this amendment.

For the Examiner's convenience, the claims shown in the above listing of claims include, in marked up form, the amendments made under Article 19. This listing is provided to ensure that the Amendments made under Article 19 are entered. A copy of the amended claims as published by the International Bureau of WIPO as PCT Publication No. WO 2004/092213 A1 is also enclosed. Claims 1, 4 and 32 are amended. Support for the amendment of claims 1, 4, and 32 can be found throughout the specification, for example on page 24, line 1 to page 25, line 28.

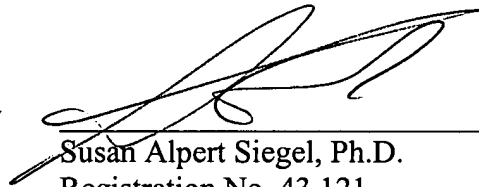

Conclusion

Applicants believe this national phase application is in condition for examination, which action is requested. If any minor matters remain to be addressed prior to examination, the Examiner is respectfully requested to contact the undersigned for a telephone interview.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
